

HDRS BARN RULES

Be safe around the barn, the horses, and while riding. Use common sense, follow the instructions of our HDRS staff, and be mindful of these rules:

- 1. All riders must wear ASTM safety helmets when on a horse. We encourage you to wear a helmet any time when working around horses.**
- 2. All riders must wear proper footwear when on a horse. Anyone around horses needs to wear appropriate footwear. HDRS has footwear guidelines. Ask a staff member for more information.**
- 3. No smoking. Ever.**
- 4. Riding outside of the HDRS arenas must be done with approval from an HDRS staff member and must always be done using the buddy system. No trotting or galloping; walking only.**
- 5. Please only ride during HDRS operating hours. Riders with their own horses kept at HDRS may not ride after hours without making prior arrangements.**
- 6. Please keep running, yelling, and other high energy activities at the playground and away from the horses and barn.**
- 7. Dogs must be on leashes at all time. Please pick up after your dog.**
- 8. Children, and anyone acting like a child must be supervised by a responsible adult.**
- 9. Be encouraging of other riders.**
- 10. Be kind to the horses.**
- 11. Have fun!**
